DÍOBHAIL PHEARSANTA: BAILE ÁTHA CLIATH PERSONAL INJURIES: DUBLIN

**IN THE MASTER'S COURT
BEFORE THE DEPUTY MASTER
AT 10.30 O'CLOCK**

NOTICE

With effect from Tuesday the 20th November 2012 the following arrangements will apply to all cases listed in the Dublin Personal Injuries List

Up to 30 cases to include 2 Specially Fixed may be listed each day to the end of the Hilary Term 2015

Cases not assigned to a judge for hearing on the day on which they are listed will roll over from day to day until the end of that week.

Any cases not reached or commenced at the end of a week will be dropped from the list and will require, in due course, an application to be made for a new hearing date in the usual manner.

All Specially Fixed cases and cases afforded priority will retain priority over other cases and will be assigned for hearing in the order in which they appear in the list.

All other cases will be assigned for hearing at random each day and not in the sequence in which they appear in the list.

Practitioners should notify the Principal Registrar when Actions in the Personal Injury List are settled. A letter from either party will be accepted to take the Action out of the list. The Action will then be starred and listed for mention on the last Thursday of every term except when the last day of term is a Thursday. Parties must notify the Court if an Action is likely to take more than four days for hearing.

CÚITEAMH GARDAÍ GARDA COMPENSATION

Pursuant to S.I. No.418/2011 - Finance (Transfer of Departmental Administration and Ministerial Functions) Order 2011 the Respondent in all Garda Compensation Special Summons is now the Minister for Public Expenditure and Reform. The effective date of this Order is 29th July 2011. References to the Minister for Finance shall from the commencement date of this order be construed as references to the Minister for Public Expenditure and Reform. New Summons issued in Garda proceedings should name the Minister for Public Expenditure and Reform as the Respondent.

Garda Compensation Special Summons appear in the Master's List on Wednesdays for purely procedural reasons. The Master no longer assigns dates to such cases. The practice is that all such cases are automatically transferred to the Garda Compensation list. They are not called in the master's list and there is no need for practitioners to attend in respect of the listing.

Once automatically transferred into the Garda Compensation list, the summons will sit in the list until the plaintiff's solicitor and the chief state solicitor agree that the case is ready to go on. When this agreement has been reached, the Plaintiff can apply on any Monday (on notice to the State) to the list for a date for hearing

Consent applications for hearing dates will be taken after the call over. Practitioners should complete hearing date application forms (available from the Registrar) in advance of the court sitting.

Where a date is fixed papers (copy affidavits reports etc) must be lodged at the ticket desk in the Central Office and signed into the Book provided for that purpose, no later than the Tuesday before the assigned hearing date. Papers should be clearly marked for the attention of the Garda Compensation Registrar. Where this time frame is not adhered to hearing dates may be vacated.
